

Update Regarding COVID-19 Business Procedures

We are open and eager to help you...

However, in the interest of following the authority's guidelines in promoting safety and reducing the possible spread of the coronavirus, we have closed the showroom to all non-employees.

Please call 315-475-5191
or if there's no answer
Call 315-475-5115

to arrange for material pickup/purchase,
material delivery or to get some product advice or get a sample.

We want to help you the best that we can, given the circumstances.

Please comply with our policy of maintaining social distancing at all times (6' or more), and remain in your vehicle while in our yard picking up material. Our yard staff will be instructed as to your order and will load you and provide paperwork.

Our outdoor displays are available to you 24/7 and we can provide quotes and information to you simply by calling the number above.

With mindfulness about concerns deriving from the coronavirus situation and in accordance with the CDC's recommendation that no gatherings of over 50 people should be held, we have cancelled our annual Landscape Contractor meeting that was scheduled for March 26th. We will begin to distribute price booklets for the 2020 season as soon as possible, please contact us with any questions.

Please note that Paragon Supply is open for business. We are closely following updates/directives from government agencies on the coronavirus pandemic, and will react to them as appropriate going forward.

Thank you for understanding and for your support of Paragon Supply!
