

Update Regarding Business Reopening Procedures

We intend to reopen the building to customers/visitors, beginning Friday, June 12th. This is an important step that we take in the interest of providing the best service to our customers. The ability to access our showroom, to speak directly with our staff, and to ease the customer's purchase experience/material pickup process are advantages that we are excited to provide.

Of course, we do so while being mindful of the safety of both employees and customers/visitors. New York State has provided guidance to businesses as they begin reopening during the pandemic, and we have followed this guidance in creating our plan for reopening.

Please note that all customers/visitors will be asked to wear a mask/face covering while on our premises—this is mandatory. In addition, we ask that all customers/visitors maintain a social distance from others of at least 6 feet.

Thanks for your cooperation as we reopen and welcome you into our showroom.
